Leadership Exchange Traveler Registrations Poll Results

Do you advise or require your US national travelers to register their international trips at the US Government website at the following link?

<https://travel.state.gov/content/travel/en/international-travel/before-you-go/step.html>

Do you advise you non US based in other countries to register their international trips with similar government resources provided by their home country?

What you Need to Know

State travel advisories are a useful resource available to international travelers as a compliment or an alternative to the 3rd party solutions that programs with stronger budgets are able to use.
