## Leadership Exchange Card Programs Poll Results

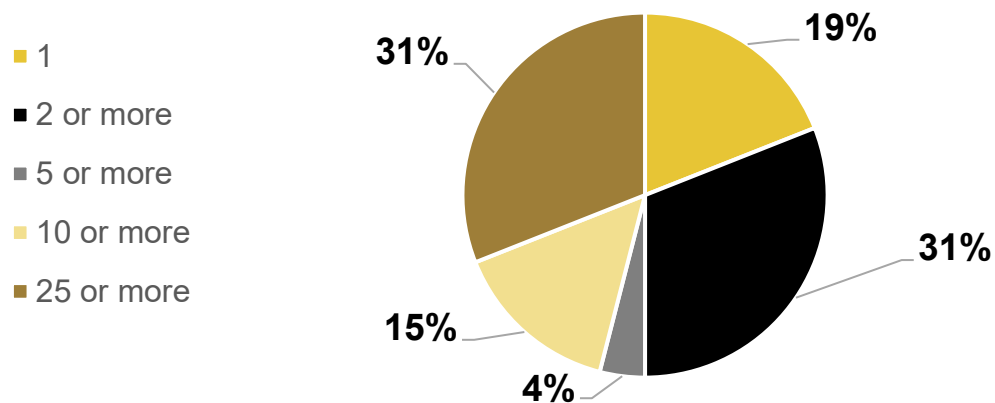

---

What card programs does your company have in place?

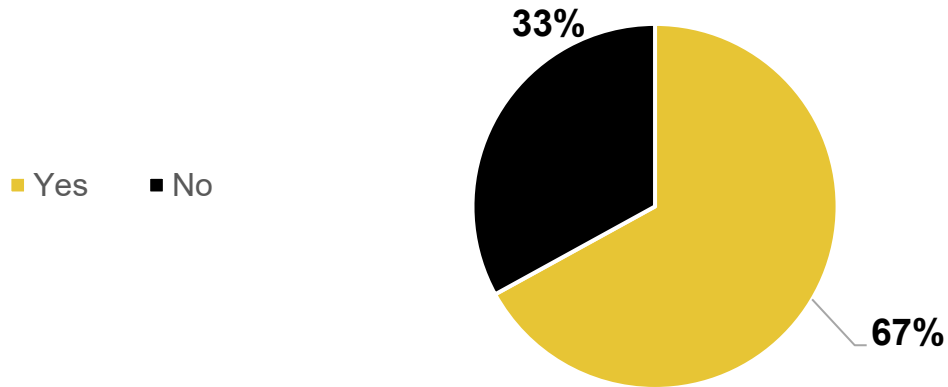

---

How many countries does your T&E card program cover?

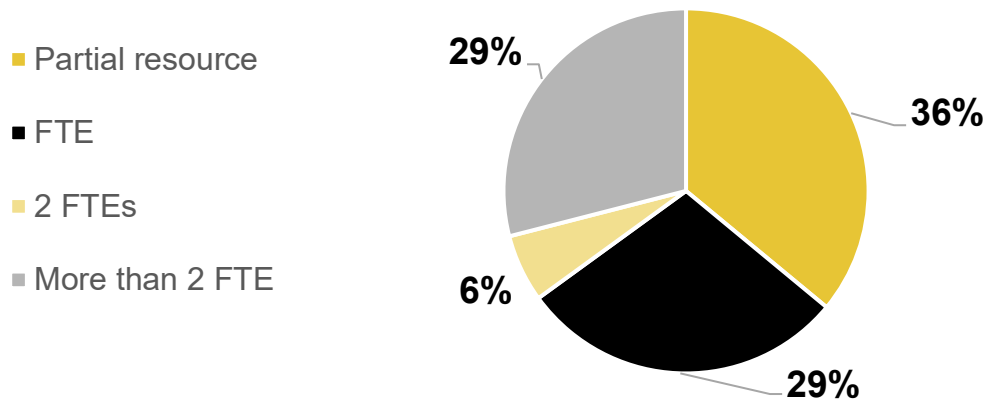

---

If you have T&E Card but not a P Card program, do you allow low value indirect spend to go on the T&E card.

---

What level of internal resource have you assigned to supporting your T&E card program?

### What you Need to Know

Combining Purchasing and T&E products, inclusive of low value spend, to as many countries as possible, continues to rise as the preferred approach to maximize the value of the card program.
